## *ANNUAL STAFF*

We the Annual Staff appreciate this opportunity and would like to express our gratitude to the whole student body for your co-operation in making this annual possible.

# DEDICATION

We the students of OHS would like to dedicate this 1969 annual to Mr. Lou Iksic. He has devoted time and guidance not only as the Shop Teacher, but as the

Drivers Education Instructor, Senior Class Advisor and numerous other activities. We the students truly appreciate his many years at OHS.

## *PRINCIPAL'S MESSAGE*

We in this school wish for success for those within its walls are to learn about many subjects. But each must put his own roots down and determine to achieve by thinking, dreaming, and planning. If you plant your roots carefully you will grow in the proper way.

Mr. Al Latimer

## *SUPERINTENDENT MESSAGE*

One of the greatest gains made this year has been the active interest and work performed in relation to community problems. It is my hope that in years to come our students will continue to build upon this foundation.

# *Juniors Busy With Projects*

The 1968-69 school year started off for the Juniors by selling concessions at the football games last fall.

In October they chose Beth Hemmerling as their class's Maid-of-Honor for the Homecoming festivities. During Homecoming Week the Juniors sponsored "Spirit Hat Day" when everyone was supposed to make a spirit hat and wear it to school. If you were caught without you were summoned to a Kangaroo Court which was held at noon.

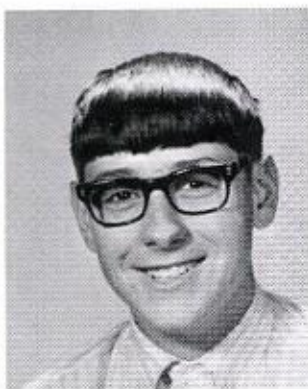

In November the actors and actresses in the Junior Class showed off their talent by presenting "Rest Assured", a comedy under the direction of Mrs. Riesterer.

When basketball season rolled around the Juniors were back selling concessions at the games making lots of money to finance the Prom that they sponsored in May.

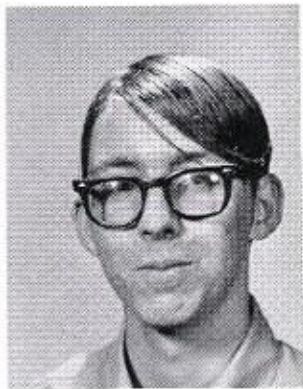

All in all it was a very big year for the Juniors and they did a great job on all of their projects.

Eagerly the Junior girls take instructions from Miss Matson so they can become good home-makers.

The profit from Junior concessions is used to sponsor dances and other activities.

## *Soph. Display Pep*

The Sophomores of 1968-69 was one of the classes that helped fill O. H. S. with spirit and pep. During Home Coming Week they sponsored a Grubby Day and raffled off a record player at the Homecoming game. Carol Null was chosen as the Sophomore Maid-of-Honor. To celebrate the Christmas holidays they put on a D. J. Christmas Dance with Bobby Mitchell and Derek Shannon from K. G. A. Free records were given away!! It was one of the best dances O. H. S. has had for a long time. The Sophomores had a great year as underclassmen.

# FRESHMAN COMPLETE FIRST YEAR

To the class of '72, the Freshmen, the biggest feat of the year was simply to make it through their longest and hardest year of high school. They were assisted in their quest for knowledge by a very able and compe-

tent advisor, Mrs. Heimbigner. To add to the credit of the frosh, they put on an excellent Homecoming dance, and took a very active part in Homecoming Week, by putting on kiddie day.

## *Honor Society Informs*

It is one of the functions of Honor Society to inform its members of the educational facilities offered to them outside of high school. To follow this up, the Honor Society visited and toured Spokane Community College and later attended a production at the Civic Theater in Spokane. For a money-making project, members of the Honor Society sold popcorn balls at one of the high school basketball games. New members were selected and initiated in the spring.

# HOMECOMING

## 1968

The crowning of Homecoming Queen Julie Hoefel, ended a good week of Homecoming activities. Monday morning started out with the student body dressed up as little kids for the "Kiddie Color Day" sponsored by the Freshmen. Tuesday was the Sophomores' day for trying to get all the kids to show class spirit with a "Grubby Sign Day". "Make-a-Spirit-Hat-Day" was the theme for Wednesday's activities provided by the Juniors. Thursday saw "Law and Order Day" brought on by none other than the Seniors, where all profits went to the Lighting Fund. Thursday night the Serpentine and bonfire were the main events in preparation for the game with Wilbur and the crowning of Homecoming Royalty. (Below, left to right) Tom Frick, Marilyn Walters, Rex Smith, Julie Hoefel (Queen), Jack Sackmann, Pam Null, Tom Wacker, Cheri Lenhart.

## TIGER JEWELS

"Tiger Jewels" was the theme for this year's Sports Queen dance and banquet. November 16 was the date for this yearly event that honored the football players, and three lucky girls. The banquet was held in the cafeteria and was attended by the football players, their fathers, the male faculty members, and the school board. The Pep Club served a very fine turkey dinner. Afterwards a dance was planned with the entire Student Body invited. At intermission Tammy Kuch became Sports Queen for this year, with Kathy Dashiell and Linda Deife crowned as princesses. Many people, along with the newly elected royalty, enjoyed an excellent dance, which was also decorated by the Pep Club girls.

## *Rest Assured*

"Rest Assured", a three act comedy was presented by the Junior Class as one of their money making projects. The comedy was about an iron fisted father, Mr. Morlock, who wouldn't consent to the marriage of his daughter, Mary, to poor Luigi Laconi's son, Joe. This started a feud between the Morlock's and Laconi's. Luigi Laconi finally kicked the bucket and came back to haunt Mr. Morlock. This was just too much for Mr. Morlock and his nerves so he finally consented to the marriage.

The class showed great enthusiasm for the play, which was ably directed by Mrs. Reisterer.

## Season Ends 6-2-1

The O. H. S. Tiger football team had a very excellent season this year with an overall record of 6-2-1. All the players were in very good shape, which accounted for many of the second half wins which Odessa pulled out.

Highlights of the season were the game with Wilbur who was then ranked fifth in the state A. P. ratings, and the selection of three of our players to the Bi-County all opponent football team.

## *New Sport Begins*

Although it was the first year for the Odessa Matmen, they performed very well. This bunch of boys went out without any knowledge of this sport and with the help of Mr. Reisterer and the new mat won 3 out of their 10 wrestling matches. Next year should prove to be interesting with the younger boys coming back with a year of experience behind them.
